## Sandhill Telephone Cooperative

***AUTHORIZATION FORM***

***To assure the billing name and address for customers with unlisted and non-published telephone numbers is not disclosed***

Please accept this form as my authorization not to release my billing name and address information to interstate telecommunications service providers as indicated in the policies and rules concerning local exchange carrier validation and billing information, CC Docket No. 91-115. Please read below before signing.

---

Signature of Customer

The Federal Communications Commission (FCC) ordered that all telephone companies must provide, under certain circumstances, customer billing name and address information to all interstate telecommunications service providers (such as AT&T, MCI, Sprint, etc.) to facilitate their billing needs. In that regard, the FCC specifically required us to notify you of this fact.

In accordance with FCC rules, your billing name and address information will be provided to all requesting interstate service providers in the following two instances:

- (1) Your billing name and address will be disclosed whenever you use a calling card issued by the company to pay for services obtained from an interstate telecommunications service provider and,
- (2) Your billing name and address will be disclosed whenever you accept a third party or collect call to your home or business telephone.

As a customer of Sandhill Telephone Cooperative with either a non-published or unlisted number, you can restrict disclosure of billing name and address information. **By signing this form you should be aware that you will not be able to have third party or collect calls billed to your telephone number.**

FREE calling features and services are added to your line only when requested.

See the Directory for  
operating instructions.

Pricing is per month,  
per phone line.

## Voice Mail

(Includes required Call Forwarding feature)

Voice Mail is a private 24-hour message service that records and saves calls to your number when you are unavailable to answer or are on the phone. Voice Mail can store up to 15 messages. Each message can be as long as 5 minutes. Voice Mail can be accessed from any touch tone phone by dialing an access number.

\$3.50 Residential and Business

## Telemarketer Call Screening

This service intercepts calls to your phone identified as “unknown” or “out-of-area” numbers (typically used by telemarketers), announces that you do not accept telemarketing calls and instructs telemarketers to add your number to their **DO NOT CALL** list. If the caller is not a telemarketer, the caller is advised to dial 1 or stay on the line to be connected. \$4.95 Residential and Business
